

RETIRED OR SEMI-RETIRED EXECUTIVES AND BUSINESS OWNERS....VOLUNTEER YOUR SKILLS TO SUPPORT LOCAL SMALL BUSINESSES!

Use your business or professional experience to help small and emerging businesses succeed. Join SCORE, "Counselors to America's Small Business" Only 4 to 8 hours a week are required to participate in a meaningful and rewarding experience.

SCORE is a nonprofit volunteer association that offers free confidential business counseling and low-cost entrepreneurial training workshops and seminars. Volunteers counsel in person, by email and telephone. Their expertise can also be utilized to conduct workshops and support SCORE's organizational development and market growth.

Counselors come from a variety of backgrounds, but they all share a belief that small business owners are more likely to succeed if they have a business mentor to guide them.
